Come February, resorts around the world pull out all the stops (think door-to-door jet service, diamonds galore and personal chefs) to lure in lovebirds. And such extravagance doesn't come cheap—one package on our list is valued at a whopping \$500,000 (guess you can't put a price on love). Curious to find out how indulgent these vacations can get? Here are our 10 favorite over-the-top couples' packages from Valentine's Days past and present. How *suite!*

“Million Package” at Kona Village Resort, Kailua Kona, Hawaii

In 2008, this Hawaiian resort, which prides itself on being “unplugged” and “unpretentious,” changed gears and offered the highest-ticketed Valentine's Day package on our list. At \$500,000 (you read that right), the package included private jet transit, custom-designed Tiffany & Co. jewelry and a full round-the-clock staff—as if lounging all day on white and black sand beaches wasn't enough! *Photo courtesy of Kona Village Resort.*
